STAT

1. (Unclassified - RSG) LIAISON Accompanied [redacted] OTR, to briefing on "The CIA" for a group of North Iowa University students sponsored by Senator Richard Clark (D., Iowa). The briefing was well received. There is no follow-up action.

2. (Unclassified - PG) LIAISON Received a telephone call from Robert Boettcher, Staff Director, Subcommittee on International Organizations, House International Relations Committee, who invited me to attend an open Subcommittee hearing, wherein the principal witness will be a former director of the KCIA, now resident in New Jersey. Mr. Boettcher anticipates a crowd and has consequently decided to issue tickets for reserved places. I thanked him and agreed to attend on 22 June.

3. (Unclassified - KSN) LIAISON Nell, office of Senator Clifford P. Case (R., N.J.), Delores Nuhn, in the office of Representative Dale Kildee (D., Mich.), and Sara Smith, in the office of Representative Louis Frey (R., Fla.), called for information concerning Project OUTREACH and the approximate starting date for the Agency tours. I told them that the schedule was not yet firm, but agreed to take their name and telephone number and keep them informed. Senator Case's nephew is interested in a tour and would appreciate a reservation for 23 July if the tours are in operation at that time. I agreed to keep in touch.

4. (Unclassified - GLC) LIAISON Talked with Col. Steven Harrick, DOD, regarding the electronic surveillance legislation and the view that both of us have that substantial amendments will be made to this legislation before it is voted on in the Senate. We also discussed the advisability of keeping each other informed of briefings we will be giving on the Hill, both formal briefings and informal staff and member sessions. It was agreed that we would send him our weekly list of upcoming briefings and he will do the same for us. He said he will also provide us with a note each day of briefings given on the Hill during the course of that day. I told him that [redacted] was keeping track of these in our office and I would have her be in touch with him.
